OUR VISION

We are a transformed community, growing together, serving the urban poor youth at risk that they may experience the Lordship of Jesus Christ in their own lives and their Communities.

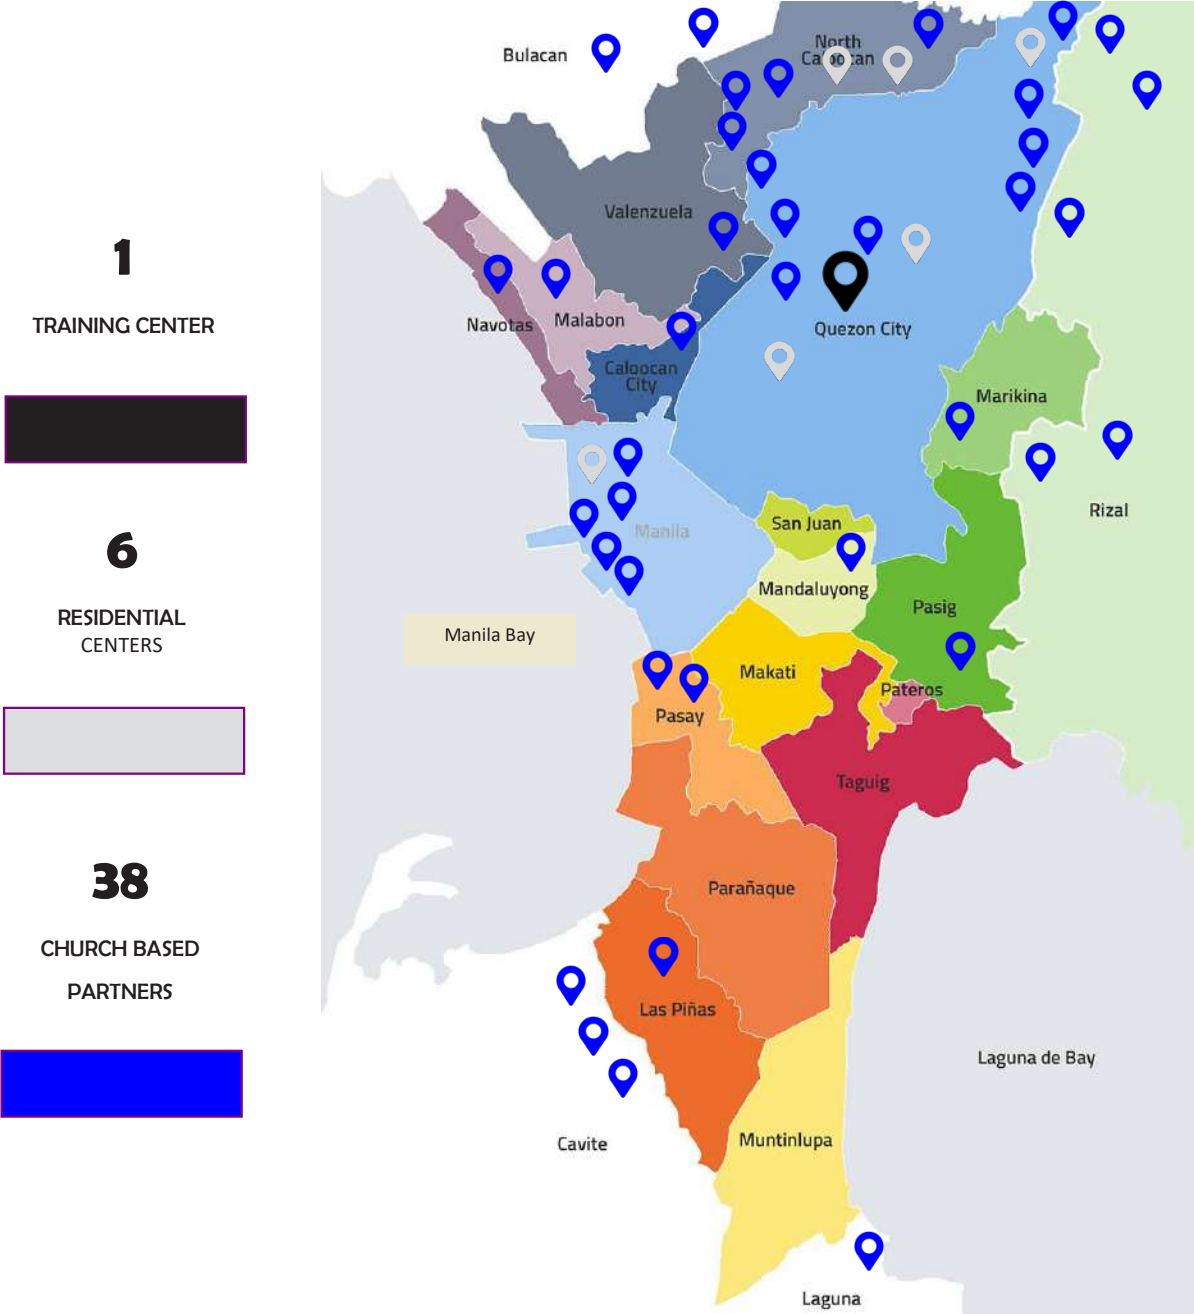

OUR MISSION

To reach, rehabilitate, equip and mobilize urban poor youth for the transformation of their families and communities that advance the values of the kingdom of God

WHERE WE SERVE

MESSAGE FROM THE FOUNDERS

After living for 13 years in different depressed areas of Manila, it was in 2003 when Christine and I together with our two kids left Manila and entrusted Onesimo into the hands of Filipino workers and volunteers. As a family we settled again in Switzerland. Since then I worked as a nurse and counsellor in my home city, Basel. My clients were patients with addiction to drugs and alcohol under residential treatment in a university clinic setting. In those 14 years I gained some experience and expertise in the field of substance abuse, detoxification and rehabilitation.

Now in 2018/19, for almost six months, Christine and I had a first hand insight of what ONESIMO has become today through the development in the years since 2003: It is truly amazing! The rehab communities have not only spread all over Metro Manila but their program has also reached a quality which matches our expensive and sophisticated approach in Switzerland and in fact even surpasses it!

Onesimo works through its community and church based setting within therapeutic relationships, which are truly empathetic, which in turn enhances self-acceptance and mutual care.

Through daily structured life (devotions, sports, regular meals and sleeping hours, household chores, self-care, etc.) and exciting events like camps and outings they work on realigning of a new "reward system regarding their dopamine release in the brain-synapses".

Onesimo works also increasingly with systemic therapeutic tools like getting the family and neighbours on the journey of recovery (reconciliation and coaching in home visitations, family camps, etc.)

They also work with trauma counselling and peer mentoring.

And through adult education and skill training they empower the young clients with practical tools in order for them to find a job or study after their two-year rehabilitation.

Now in addition to all of this, being a Christian NGO, clients are getting guided into a "corrective emotional experience" by exposure to transcendence, like the Good News of Jesus, through prayer and bible-reading, hearing and accepting the words like **"...you are my child, I know you by your name, I love you unconditionally. I am your source and your destiny. Do not be afraid! You are mine forever..."** These "heavenly truths" help the clients to find their new and true identity as part of creation and as human beings! A new start in life! I am proud and happy of still being able to support this important ministry.

Christian and Christine Schneider

MESSAGE FROM THE CHAIRPERSON OF THE BOARD

Another year has passed quickly. We continue to marvel at our great God and all that He has done as we review all that transpired in 2018. What we can say then is: "All that we have accomplished You have done for us" Isaiah 26:12b.

We also acknowledge the team for their untiring efforts in getting the job done as they went about doing their different roles and responsibilities to ensure that the different programs, services and events of Onesimo Foundation were well-implemented. Thanks to the staff serving in the Residential Program, After Care, Church-Based Ministry, Alternative Education Program, Farm and Campsite and Special Events. Thanks to the Leadership Team for their empowering leadership. Last but not the least, to the Board of Trustees both in the Philippines and Switzerland, both the institutional and individual supporters and friends that have done their task of helping out to ensure that ministries keep going. The work has never been easy and challenges were unending, but with everyone doing their bit, we have kept on, enabled and sustained by our great God.

With another year to look forward to and the big task looming before us especially in the Matalinting Farm and Campsite where the much awaited construction of the 'huge' Multi-Purpose Building is projected to start and would surely add to the already enormous responsibility of the Leadership Team and the Farm Manager, we continue to put our hope and trust in our great God. To Him alone we depend and may He always be central in all our decision-making and work we do.

Our prayer is that in everything we will implore God to take the lead and be in the center of our lives and all that we do will be in vain without the Lord in it.

*"Unless the Lord builds the house,
the builders labor in vain.
Unless the Lord watches over the city,
the guards stand watch in vain"
Psalm 127:1.*

Josefina "Pine" Gutierrez

MESSAGE FROM THE EXECUTIVE DIRECTOR

Thank you Lord!

Great is the Lord and most worthy of praise!

Our Heavenly Father amazed us as He continued to do marvelous things for Onesimo. 2018 was another year of God's steadfast guidance, protection, and provisions.

We saw a lot of proof of this in 2018. More than a thousand children and youth were served through the various programs of Onesimo. Over 500 people from different poor communities received training for livelihood skills and effective parenting through family retreats, and partnerships with 38 urban poor churches. Pastors and volunteer workers actively discipling youth at risk in a network of commitment and obedience to our God.

Witnessing their radiant smiles as these young achievers proudly march on stage to receive their graduation certificates, symbols of their accomplishments over the difficult 2-year program, we cannot help but praise God for what He did. Dedicated staff, willing volunteers and generous donors indeed made all of this possible.

These children and youth now know what it means to be valued, be provided with basic needs and utilize interactive skills enabling them to go forth against the varied challenges of life. They received academic schooling, learned practical skills and acquired awareness of their rights as persons. We are confident of their ability to find their way to earning a living they each will be proud of.

We are amazed in how in this year, the Onesimo Farm and Camp has seen the construction of three structures the training dormitory, manager's and visitors' houses. The main access road was completed, paving the way towards total development of the Farm and Camp. And major funding has been received for the construction of the multi-purpose building with capacity for 200 persons for agricultural training and retreats. These cost millions but will be completed by 2020! Awesome!

Our constant prayer is that we continue to abide in Him, that we may recognize and respond to His invitations... We will face the challenges with confidence and look forward to achievements ahead, trusting our Lord Jesus Christ for the work he has begun . . .

Come then, journey with us!

Rosa "Rose" Pecio

MESSAGE FROM THE PROGRAM/DEPUTY DIRECTOR

The word of God clearly says "Blessed is the one who is kind to the needy. Whoever oppresses the poor shows contempt for their Maker, but whoever is kind to the needy honors God. Whoever is kind to the poor lends to the Lord, and he will reward them for what they have done." Ever since Onesimo started, we have tried to accomplish this in our own little way.

A good way to help poor people is to give them a hand or a hug. Give them moral support, show love, respect and make them aware that someone really cares about them.

Doing good things for others helps maintain good health. As we all know, positive emotions reduce stress and boost our immune system, and in turn can protect us against disease. Negative emotions such as anger, aggression or hostility have a negative impact on our mind and body. Thus let's be a good neighbor to all the people we encounter, especially the less fortunate.

Dennis R. Manas

CHURCH ORIENTATION AND MOA SIGNING FROM APRIL TO MAY

This year, 20 Churches committed to partner with us to care for the poor youth at risk.

“ Isaiah 61:1
The Spirit of the Sovereign Lord is upon me,
for the Lord has anointed me
to bring good news to the poor.
He has sent me to comfort the broken hearted
and to proclaim that captives will be released
and prisoners will be freed. NLT

”

9. Jesus Son of the Living God Church – Maypajo, Caloocan
10. Jesus Seedlers Church – Montalban, Rizal

ONESIMO'S CHILD PROTECTION POLICY

In all of Onesimo's programs and activities, we aim to protect children from all forms of abuse by our staff, volunteers and other persons who come in direct contact with the children under our care. We take decisive action in the case of an incident of abuse in cooperation with the appropriate authorities.

Onesimo believes that clients, beneficiaries and program participants have the right to speak, to be heard and to participate in all decisions concerning them.

SUMMER YOUTH CAMP

This year, from March 26 up to May 11, 2018, 380 youths participated in the SYCO. These came from different slum communities in Metro Manila. They were led by 61 youth leaders from Onesimo partner churches and some senior clients from the residential program.

The Camp Theme was **"EXODUS (Move On Na sa Galera)"**. It was a big challenge for the youth to get through their past mistakes and dark experiences. Yet, like Moses, who proved that it is possible for each and everyone to leave everything behind and to start anew, the children learned to triumph through knowing God and continuing to trust in His promises.

"Ang saya sa feeling na maka attend sa ganitong klaseng aktibidad. Nais ko pong magpasalamat sa blessings na aking natatanggap at salamat din sa mga nakasama ko na naging kaibigan ko na din. Masaya sa feeling ang magtulungan, mag-damayon at makihalubilo sa mga iba pang miyembro dito sa youth camp." – Batch 3 Lovies Jesrile Ramirez

"Ang na-diskubre ko sa aking sarili... may mga bagay na hindi ko kaya. At natutunan kong may purpose ako at may plano si God." – Batch 4 unknown

LEADERSHIP TRAINING OVERNIGHT, NOVEMBER

Planning and delegation of activities to the leaders for SYCO, November 23 & 24 at Onesimo Farm and Campsite, Matalinting, Laguna.

LEADERSHIP TRAINING, PUERTO GALERA, LAST WEEK OF THE YEAR

Another batch, 90 delegates came. 72 of them were trained as youth leaders for the next camp. They were youth sent by five (5) urban poor partner churches. Two of these churches were first timers, 2 were in their 2nd time and one was in their last year to avail of our camp program. Again we thank the Lord that there was no storm and no injury among the delegates while the leadership training was conducted.

COMMISSIONING DAY

The Camp Committee which was composed of 2-3 representatives from each partner church had a series of meetings for planning last January and February. Then we had our Leaders' Commissioning Day last March 3 at the Onesimo Building. This was attended by 50 youth leaders and their pastors. The program consisted of the Child Protection Policy signing, words of encouragement from Pastors and prayer for the whole 6 weeks of the camps.

CHURCH BASED MINISTRY SUMMER CAMP

An avenue to enhance their leadership skills and one of the most unforgettable experiences of youths in the 2-year program, where they experience the Lordship of Christ through different topics discussed by Pastors, recreational activities handled by Workers and through a very relaxing ambiance of nature at Camp Rock, Puerto Galera.

Youth From Leaders for Summer Youth Camp

DAILY VACATION BIBLE SCHOOL (DVBS)

Yearly, when school is out, Onesimo conducts DVBS in the communities where the residential centers are located. This is an opportunity for the residential clients especially the Ates and the Kuyas to teach the children in their communities from the toddlers to the grade-schoolers about the great themes of the Bible in ways attractive to the young. Hundreds of children flock to the centers.

It is a two way purpose for the both children and the youth. The first for the children to be introduced to Jesus. This early intervention hopefully directs the children's lives toward good and away from bad influences. Second, it is part of the youth's training and exposure to the community and to help them realize their significance in the lives of others especially to the young ones.

Beneficiaries during VBS

Kuyas serving food to the children

WORK CAMP

The Work Camps are the introduction of new trainees into the Onesimo System. Whatever addictions or habits the children have are cut off by bringing them to a remote place where they have no opportunity to indulge themselves. So there are no opportunities for cigarettes, alcohol, drugs, computers, sex or gambling. At the work camps, there are good clean physical activities to allow them to sweat out any toxins from their bodies. Games, fellowship, Bible Study, group discussions, sleep and rest on time replace all other harmful activities from their previous lives.

Residential Girls with the kids of Mangyan Community

Residential Boys in Onesimo Campsite

RESIDENTIAL PROGRAM

The work camps were held at two different places of Onesimo. The boys' first week was held at Onesimo's Matalinting Farm and Camp and the other week was held at Camp Rock, Puerto Galera.

The girls' Work Camp was held wholly at Camp Rock because of scheduling and weather difficulties at the Matalinting Farm and Camp.

The victorious trainees were distributed among the Boys and Girls Residential Centers to enter into the second phase of their training, the 6-month All of Life Discipleship Training.

ACCEPTANCE RITES

The Acceptance Rites is a formal ceremony for the youths (residential and church-based) who successfully completed their respective Work Camps and elected to continue with the program. Residential and CBM conduct separate events. The ceremony gives the new trainees a sense of accomplishment and affirms the difficult decision to pursue this life change. Each one gets a lighted candle symbolizing new life and a token gift as a remembrance of the event. House parents and pastors welcome their new wards and pray for strength and grace as they collectively embark on the journey.

Residential Program (Acceptance Rites)

Church Based Ministry (Acceptance Rites)

ALL OF LIFE GRADUATION

The residential trainees' first six months is called the All of Life Discipleship Program. The children are taught to care for themselves in a home and family environment. Usually coming from the streets where it's "every man for himself" or a rebellious family environment, the children relearn what it means to be in relationship and in a home. Each one is given chores such as house cleaning, dishwashing, marketing and cooking. They learn personal hygiene, submission, discipline and relationships. Through Bible reading and study, they

come to know of Jesus and his love for everyone. They grow in self esteem and respect for others. They are given a biblical sense of right and wrong and come to a better understanding of obedience and the Lordship of Jesus Christ.

Thirty One (31) youth in Residential care completed the All of Life Program this year. The ceremony was held at the Onesimo Training Center in Tandang Sora. The graduation was witnessed by their families, Kuyas and Ates (under consolidation phase) and Onesimo staff.

Trainees with Ate received the All of Life completion certificate & a school bag as their graduation gift.

A special presentation from the graduates.

PARENTS ORIENTATION

New trainees' parents and family members are invited soon after the Acceptance Rites to emphasize the role of the family in the continuing life change of the Onesimo child. This is called the Parents Orientation. Onesimo Staff explain the Onesimo Residential Program and the services provided by the Foundation. The Basic Training Phase and the Consolidation Phase and After Care are detailed to the parents and family. Onesimo's expectations of the child and of the family are made clear and the needed participation (such as attendance at meetings and special events) to enhance changed relationships expectations are explained. The family members are later grouped by Center so that questions can be better addressed.

This year, the Parents Orientation was held on August 7 at the Onesimo Training Center. Social Workers, Arnel Padayhag, Ava Joy Sacamay and Angel Azarcon handled the orientations on Basic Training, Consolidation Phase and Aftercare respectively. Then Program Director, Pastor Dennis Manas, drove home the need for parental support, attendance at all meetings and special events.

SPORTS FEST

The Annual Sports Fest is one of the most anticipated activities. The clients and beneficiaries from different church partners and residential centers, set aside time to practice for the different events so they can perform well at the games. Traditional events are basketball, volleyball, table tennis, chess, darts, swimming and track and field. The Sports Fest has long been part of the rehabilitation program, providing opportunity for developing physical fitness, discipline and sportsmanship.

For the team events (basketball, volleyball) CBM churches and Residential came together to field a team. Each team was only allowed to play two staff or workers. E.g. a CBM team can only have two players who are pastors or youth workers. A Residential team can only have two players who are Onesimo Staff. This would ensure the maximum participation of clients or beneficiaries.

The Sports Fest pushed through this year despite problems with venues, referees and scheduling. Nevertheless, we thank God it was successfully carried out with no major injuries.

It was held in November 6-9 and 12-16 at three different covered basketball courts and at the Amoranto Stadium for one day for the track and swimming competition. Around 450 clients, beneficiaries, workers and staff participated.

FAMILY RETREAT

Most Onesimo children are products of dysfunctional families. Onesimo knows that family must also be part of the child's life change. Annual Family Retreats are held to share Christ's forgiveness and grace. The family is given an understanding of what their child is going through. So together, child and family can reconcile and recommit to one another. This helps immensely when the child comes home after the 2-year program to a better family environment.

Separate Family Retreats are held for Trainees Families and for Kuyas' and Ates' families as the training needs are necessarily different.

YOUTH GATHERING

This year all CBM beneficiaries met 5 times for fellowship, prayer, singing and showcasing of talents through presentations, and much awaited time to challenge and support one another.

GENERAL CHECK UP

On-site Annual Physical Examination took place last December 10, 2018 in partnership with Hi-Precision Diagnostic Center.

Checking the physical/medical background of each beneficiary, pastors and workers for the treatment of possible illnesses. 182 patients underwent general check-up.

COMMUNITY SERVICE

This CBM program brings the youth closer to their communities. Usually known before as the “black sheep” and “embarrassment” of the community, Community Service enables them to experience serving their neighborhoods in ways impacting the immediate needs of the communities.

These activities create bridges of cooperation between the barangay (village) and the churches, showcasing the benefits of harnessing the Youth at Risk. Citizens and officials of barangay become aware of the ministry of churches for youth at risk, promoting the CBM program and Onesimo.

CBM beneficiaries doing community service

SCHOLARS BONDING

Clients who have finished the Basic Training Phase are qualified to enter to Consolidation Phase. Additional Programs and Services will be introduced in here. This stage will last for two years before entering into the last phase of the Residential Program

Here, the focus is more on livelihood skills acquisition, leadership training and Christian living.

ALTERNATIVE LEARNING SYSTEM

Nineteen (19) of the Onesimo ALS learners passed the government's High School equivalency exam for 2018. Seven of these were fresh graduates of the All of Life (first six months) phase of the 2-year Onesimo Program. Two of these students were doubly blessed as they had not even hurdled elementary level but they were able to pass the High School equivalency.

Geralyn P. Gellangarin and Arnel N. Dumilon, both entered Senior High School as Onesimo academic scholars, jumping from elementary level. They exhibited excellent academic aptitude.

NEW SET OF LEARNERS

The Onesimo Alternative Education Program (OAEP) was very glad to be in charge of a new set of learners. Twenty-two (22) of these were in the secondary level, one (1) in bridging, fourteen (14) in elementary and three (3) in basic literacy.

ANOTHER GREAT YEAR FOR CURRICULUM YEAR 2017 BATCH

Another test was scheduled for those who did not pass and for the batch of curriculum year 2017. We have youth takers. Eleven (11) passed.

Two of the passers were truly blessed by the Lord because even though they did not graduate from the Elementary Level, they were confident in God as they took the exam and the Lord did not disappoint them.

SOME OF THE SUCCESSFUL ALS A&E TEST TAKERS

Geralyn P. Gellangarin is one of the students from the Secondary level although she has not graduated from formal school as Elementary student but has demonstrated qualification in the FLT Exam so she was admitted in ALS Secondary. She has almost finished her stay with the Onesimo program before she has an opportunity to take an exam. And for the last time she passed it and it had additional blessing. She became one of the scholar of Onesimo. She is able to continue her studies as a Grade 11 student at the Commonwealth High School.

Another blessed student is **Arnel N. Dumilon**. He has demonstrated well not just in his Functional Literacy Test (FLT) Score as well as his Leadership skills. I cannot imagine how far he can reach because he only finished Grade 1 at Formal School. But this has not been a barrier although he has many concerns in life as a student, as a child and in figuring out what his life will be like this soon after his stay in the Onesimo program. Would there be a change in the level of completion or would he still be in Grade 1? However, Arnel did not lose hope and continued to pray and trusted his future to the Lord.. Like others, he became a scholar of Onesimo and this became a new stage of his studies. Despite not finishing Grade 1. he is now a Senior High School in Commonwealth High School.

ALTERNATIVE LEARNING SYSTEM CLASSES

New set of learners, twenty-two (22) on secondary level, one (1) bridging, 14 on elementary level and 3 on basic literacy (2 new and 1 from CBM).

POLYTECHNIC UNIVERSITY PHILIPPINES TUTORS

Ten (10) students from the Polytechnic University of the Philippines came to help Onesimo by tutoring the learners as part of their extension program. They spent hours every ALS Class from March to April 2018.

CURRICULUM YEAR 2017 GRADUATION

A wonderful opportunity came to the passers of Curriculum Year 2017: They were invited to attend the Graduation Ceremony of all who passed from Quezon City District VI. Our students were pleased to wear graduation gowns.

DVBS SEMINAR

Youth attended the DVBS Training Seminar at the Manila Bible Seminary on March 10, 2018.

PERSONAL ENHANCEMENT LEADERSHIP TRAINING (PELT)

PELT RETREAT LEVEL 2

The PELT Retreat was attended by eleven students. It was held in Brgy. Asisan, Tagaytay City on May 21-23, 2018. The theme of the retreat was "Be Matured"

PELT RETREAT LEVEL 1

The level 1 retreat was for new trainees. It was held at Camp Pugad, Silang town, Cavite from December 3-5, 2018. The theme was "PAIN Today < GAIN Someday". Twenty-two clients attended this retreat.

SCHOLARS

Onesimo is pleased to have four academic scholars enter senior high school due to their passing the High School equivalency examinations:

- **Geralyn P. Gellangarin**, Commonwealth High School
- **Arnel N. Dumilon Jr.**, Commonwealth High School
- **JC Hedriana**, T. Paez Integrated School
- **Angelo O. Galabin**, Cielito High School
- **Jessa and Joan Dalisay** are in the last year of Senior High School program.

GRADUATES OF BATCH 20172018

COLLEGE LEVEL SCHOLARS OF BATCH 2017-18

On April 11, 2018, we had 2 graduates who successfully hurdled two years of study in Beslink College of the Philippines.

- **Ellen Joy Naboya**, a Bread and Pastry Student, now employed in a café shop and does volunteer works at the residential center during her free time.
- **John Michael B. Enriquez**, an Associate in Computer Technology program (AICT) finisher, now employed. His work position is not in line with his course but is looking forward to be able to use his acquired skills.

GERALYN P. GELLANGARIN

ARNEL N. DUMILON JR.

JC HEDRIANA

ANGELO O. GALABIN

SCHOLARS BONDING

Last May 28-29, 2018 we held the Scholar's Bonding at Villa Rivera Wave Resort in San Rafael, Montalban, Rizal. It was a day and night fellowship between the staff and the new scholars. It also provided closure for Ellen and Michael as they ended the last phase of their journey with Onesimo.

SKILLS TRAINING

We offered eight skills training courses, this year.

- Industrial Chemistry
- Welding & Electrical
- Bread and Pastry
- Beauty and Nail Care
- Barbers and Massage
- Food Preservation
- Garments
- Small Engine

Enrollment was in January with prerequisite orientation and assessment. 97 students from Residential and CBM programs were accepted. There were 71 class days (4 hours of instruction per day) until the program completed in November.

SKILLS GRADUATION

Our annual Graduation was held @ Faith Baptist Church, West Triangle, Quezon City last December 12, 2018. Students, trainees, guardian and staff attended the commencement ceremony with its Theme "Kabataang Onesimo Tagapagpadala ng Pagbabago". A total of 54 graduates received their Certificates of Training.

This is the last phase of the Onesimo Foundation's program. It is a one and a half year preparation of the clients' return to their parents and community. In this status, the clients should be living independently and differently from the life they had before entering the program.

AFTER CARE PROGRAM

Aftercare want to make sure that our clients are functional after their training in Onesimo. We are trying to help them to continue their dreams even after the program in the Residential facilitates.

Mark Vincent Hidalgo returned to his mother after completing the Onesimo 2-year program. On July 7, 2018, their rented room burned down, leaving

them without any belongings. Onesimo immediately provided assistance so Mark can continue his schooling. Mark is determined to finish school.

KAMUSTAHAN FELLOWSHIP

The after-care team regularly meets our beneficiaries every end of the month. We give them a voice and together review each one's plans. The Kamustahan Fellowship is a venue for strengthening and support.

HOME AND WORK VISITATION

Maria Luisa Carable, 18, resides in Kawit, Cavite, a town 20 kms south from Manila. She has a job as timekeeper in a construction site. She continues to study through the Alternative Learning System. She was discharged from the program in January 2018 because she is already able to support herself.

WORKERS FELLOWSHIP

Kenneth Arrofo's parents strive hard to earn a decent living in the town of Dasmariñas, Cavite. The mother sells cooked peanuts while the father drives a jeepney. Kenneth is encouraged to do well in school because he now sees the perseverance of this parents

Angelo Galabin, 18 years old, passed the High School equivalency examination. He is now in grade 11 at Cielito High School. He lives with his father and relatives in Bagong Silang, Caloocan City North. Their main source of living is selling vegetables in the community.

SCHOOL VISITATION

We regularly visit the different schools of our clients to verify their academic situations and ensure their participation in curricular activities.

FAMILY RETREAT

The Aftercare group firmly believes in the strong family. During the October semestral break, we invited the families of our wards to a relaxing three day family retreat at the Green Nature Resort in San Mateo, Rizal. The 25 participants participated in discussions centering on breaking the curse of poverty, leading to better living conditions. Each family shared their stories of struggle, encouraging one another.

EDUCATING AND PROMOTING A GREEN ENVIRONMENT

The Aftercare team and our wards went to the Onesimo Farm and Camp in Matalintinting, Sta. Maria town in Laguna. The youth got their hands dirty breaking the soil, hoeing, planting and irrigating under the hot sun. This served as an exposure and an eye opener for them who all are city dwellers and had no understanding at all of how much work is required to bring forth food from the soil to the table.

THE VALUE OF ENVIRONMENTAL ACCOUNTABILITY

The lesson learned in their Farm exposure was rendered more valuable because of the contrast between the farm environment and their dwelling in Philcoa. Keeping their Philcoa area clean and garbage free became more critical and heart-felt for them.

CBM END RETREAT

One Week retreat at Camp Rock, Puerto Galera held last March 18-23, 2018. It is the last retreat of beneficiaries before starting their business or preparation for their job application as well as their spiritual, emotional and mental aspect for their upcoming reintegration to their families and communities. Other youths were unable to attend the retreat because they already have a job while other were still complying with their OJT.

Thirty eight (38) beneficiaries attended coming from 13 CBM partner churches.

CBM GRADUATION/ PROGRAM COMPLETION

A ceremony to celebrate the beneficiaries' completion of the 2-year program of Onesimo Church Based Ministry. It took place at Ever

Gotesco Mall, Cinema 4 last April 26, 2018. There were 71 graduates out of 112 youth accepted in the program in partnership with 17 churches

COMMUNITY DAY

Onesimo's 1st and 2nd community days were held at The Manila Ocean park and Enchanted Kingdom. This event is becoming more and more vital for each and every youth because it is a time when they get to experience places they normally do not go to.

Most of the beneficiaries, especially the new ones, are delighted and amazed at the experience to be in that place and not a moment wasted to get into all rides!

ANNUAL GENERAL MEETING (AGM)

AGM 2018 was held at Onesimo Bulilit, Quiapo, Manila on June 8, 2018. It was attended by the Onesimo stakeholders, including the members Staff, volunteers, workers, CBM Pastors and the Board of Trustees. The accomplishments of activities and the financial status from the previous year were presented and reported. There were also testimonies and stories of change shared by the staff, volunteers, and workers, current and previous beneficiaries of the organization. The BOT election was the last part of the program. Atty. Romel Bagares and Bernardita Amor were re-elected. Ms. Leslie Bernardo a former Onesimo client took over the trustees position of Engr. Frankie as BOT member for 1 year.

FRIENDSHIP DAY

As our youth struggles with their past, living in the future is hard for them. It's like a shadow following you no matter where you go. In Onesimo however we hope to end this nightmare and replace it with hope for their future using their past as a motivation for change. With this year's theme "Anino ng Nakaraan. Liwanag sa Kinabukasan" (Shadow of the Past, Light of the Future) we want to share how the Lord used our past experiences as a lesson for our future. It is through our Lord Jesus' unconditional love that transforms us no matter how dark our past may be. So we should not be ashamed of it instead use it as a testimony of God's life changing love for us. In Psalm 91:1 we are reminded that "He who dwells in the shelter of the Most High will abide in the shadow of the Almighty". So no matter how dark our past maybe God will shine His light upon us that we may also be a new light for others.

We are blessed to have around 800 people who joined this year's Friendship Day that was held at Faith Fellowship Ministry Center, Aurora Blvd last August 24. As we together witness the young people's testimony through their presentation. Each Church-Based Ministry Cluster presented different presentations and one collaboration play was presented by the Residential youth. Most of these young people have never performed in such a big audience so it was a new and great experience for them to be able to show their talents as well. Indeed when we discover the talents that God has given us and use them to glorify Him, we will experience a full life. Our loving Lord wants us to feel whole and complete, and it is through talents that we can find our unique calling in life.

Our prayer for next year is that more young people who are in our program will discover their God's gift and where the Lord can use them for His ministry.

FAMILY FUN DAY

This was held at Bahay-Toro Covered Court last December 13, 2018. It was a day fellowship with all the youth beneficiaries and their families. We are also thankful to have with us Ate Armina Fortuna-Riethmuller and Ferdie Garay who helped in judging

the presentations prepared by the youth. Atty. Harry Roque also gave a short greeting and had a short film interview of what Onesimo is doing. Families were happy to have received gift packs in time for Christmas.

SABBATH

This time the Onesimo team went to cordillera province, though the group had been there for a number of time and visited the place, they never get tired coming back. The experience is always awesome and refreshing. The place never fails to give fresh air, picturesque scenery, lush greenery and having quality bonding time with coworkers. CBM Residential and After Care went to Batad while MSS and OAEP chose to spend their Sabbath at Sagada province.

TEAM BUILDING

The second run of In-House Training at Camp Rock facilitated by one of the Board of Trustees of Onesimo Foundation, Tita Baby (Bernardita Amor). She pointed out the reconnection not only in the relationship with each other but also in the creation of God.

STAFF PLANNING AND EVALUATION

In the first week of September, Onesimo had their Annual Planning and Evaluation. The planning was lighter unlike last year, but it was also thoroughly planned,

For the first two days the activities focused on revisitation of the mission and vision of the programs. The effectiveness of the program was discussed to evaluate if it should be retained and or removed. The other two days spent for 2019 budgeting for department and calendar, each department presented their 2019 budget and was compared to the previous years for adjustments. The calendar of activities happened on the last day and was done right before we check out from the venue at CDC-Tagaytay.

One of the board Ms. Bernadita Amor was present during the budgeting deliberation.

OFC STAFF SABBATH

In April, for a break, Efren Roxas, Benhur Tuazon & Dennis Montefalco have an overnight in Corregidor Island, a relaxing day of walking, swimming & war museum tour.

STAFF RETREAT

It is vital to each and every individual to take rest and know when to stop and reflect. Self-care was the topic of the retreat. It was facilitated by Ate Annabel Manalo one of Onesimo Board of Trustees. The facilitator gave us enough time to rest and to hear ourselves, everyone reflected with what is happening to each one of us and she let us went back on how are we in our present situation.

PASTOR'S FELLOWSHIP

A time together to share, to pray, listen to testimonies and thanksgiving on program and church status, announcement of upcoming activities for the month and an encouragement for the ministry from invited speakers.

WORKER'S FELLOWSHIP

Monthly indoor (office) and outdoor (adventure, nature tripping, resort) fellowship of workers. Sharing of prayer, testimonies and thanksgiving on program and church status. Praise and worship, games and other recreation as part of stress releasing activity and ministry burn out prevention.

CHURCH PROGRAM EVALUATION

Between January to February did the annual CBM program evaluation, status update of Pastors, Workers, Church members and beneficiaries, effectivity of program in reaching out urban poor youth at risk and their families to know if they are still interested and has intentions for renewal of partnership.

ROPE TYING TRAINING

Danny Pecio & Anthony Vizcaya, gave a hands on training on rope tying & some rescuing techniques to all farmers & camp facilitators.

OFC Study tour in October 11-13 at Gawad Kalinga Enchanted Farm, CCT Kaibigan village & Baler, Aurora.

FARM IMPROVEMENT:

GOAT RAISING

- In preparation for goat raising, 2 staff were sent to Davao for a week-long training in January.
- Planted goat forage, legumes trees and shrubs for goat food.
- A small Goat House was constructed as a laboratory for our farmers and also as a future venue for farm tour showcase so that we can protect the main stocks from being exposed to many visitors.
- Purchased the First batch of goats in August
- Planted 300 banana trees to increase farm produce for future banana by-product marketing.
- Relocated the Faith garden to an area near the farm
- Began exploring small fishpond areas

CONSTRUCTION & INFRASTRUCTURE

- Construction of three structures the training dormitory, manager's and visitors' houses by the winning bidder A.D. Dumalus Construction Corp. and was presented for punch list walk through;
- The main 200-meter access road was initiated, facilitating total development of the Farm and Camp;
- Installed Solar Panel for the solar power system of the three houses;
- Purchased two units of second-hand water tanks

- Bunk Beds and Mattresses for the dormitories were acquired;
- Powerhouse was built in September;
- Built the 1st and 2nd small goat house;
- Multi Purpose Building (MPB) Project bidding in progress
- OFC acquired a second hand Ram Pump and it was installed successfully and now augmenting water supply.
- Riprap was repaired to increase the volume of water reservoir and the 2nd Ram Pump was installed and operationalized.

VISITORS

- On July 4, 2018, the OFC celebrated the 2nd anniversary and Building dedication ceremony

Congratulatory messages were heard from OFI stakeholders and visitors. Farm fruits and vegetables reap displayed and later brought home by the guests. Everyone enjoyed the mostly homegrown food cooked by our able staff and students in food preparations. Prayers dedicating the two new buildings so that it can be used for the glory of the Lord our maker.

OFC staff had a wonderful time hosting the event. We received lots of help from OAEP teachers, Chat & Gerry, together with their food tech students for the food preparation. OFC staff, family and friends provided assistance. We served enough food for 150+ guests. Our newly elected barangay captain arrived together with her staff and a representative

ONESIMO FARM AND CAMPSITE

of the mayor of Sta Maria town. Inspirational messages from Rachel Hauser, Engineer Frankie Guadayo, Lita – our barangay captain & OFI board director Ate Pine Gutierrez encouraged us all to remain faithful, be patient and be determined to reach our goal.

Most of our guests have enjoyed the ram pump, goat house and around the farm & campsite. They came back praising God for all the experiences. The IVCF trekkers, who joined the tour to swim in the beautiful waterfalls, came very refreshed and thankful for the experiences.

- 43 Residential Boys at work camp in July 6-12

Although hampered by the rainy weather the boys still enjoyed their work time, adventure walks, lots of group work and the community service time and enjoyed making mini swimming trips adjacent to the small waterfalls.

- Isabel Schneider (daughter of our founder) was the first visitor to use the newly constructed visitors' house for 2 nights. She explored the farm and took photos for promotion. She recently recovered from a mild flu and welcomed the needed rest.
- Peter Seeberger & his friend Michael, an important visitor instrumental to Onesimo's entry and received a financial support as 1st prize of "StopArmut -2005" by Tearfund, Switzerland., for Onesimo's contribution to improving the living conditions of people in poverty and thus reveal biblical justice and mercy. This year he was able to personally witness what Onesimo has become now working in partnership with slum churches.
- A DSWD region 4 representatives visited the farm for assessment of the facility. She was given a tour of the farm and oriented to the usage of the site. She checked the validity of all permits.
- SYCO youth leaders with Haze Formilleza, did their planning for the coming youth camp.
- Lothar and Ingrid Weissenborn with Rachel Hauser visited and were all excited to see the

developments

- After care program led by Angel & Norma did their reflection time and worked in the farm for several hours.
- Chris Schneider & Frank Paul visited the farm and enjoyed their time observing all the farm activities & Amlac center reflection time

OTHERS:

- Vocational training curriculum development by Efren Roxas, Benhur Tuazon, Dennis Montefalco & BJ Gonzales is in the full swing.
- The Bureau of Fire Protection of Sta Maria conducted a seminar on fire prevention, control and emergency rescue and facilitated a fire drill
- Camping ground preparation: An obstacle course was setup with Filipino touch of "Palo-Sebo" as a traditional Filipino game.

Bureau of Fire Protection fire drill facilitation.

The former me, who was he really?
 The lunatic
 Who chose to move about
 In a pool of dreadful cravings Vices I
 thought would be a delight In whose
 loving embrace I was rapt

Didn't I know?
 Was I mistreating my sisters?
 Disrespecting my parents?
 'Twas all OK in my mind
 Just content in usual things
 Wasn't a secret what I did
 Cigarettes, pot, liquor, gangs and
 make believe friends

'Til one day, He came into my life
 Gave strength to tired arms
 Led me to a place of terror
 Where, surprise! Was I in error?
 And gently, he showed me in tears
 And smiles, a friend together
 Walking a new path, shoulder to shoulder.

This different road, he guided me,
 Forgiveness he gave, my errors fading away
 He told me, "Chin up" and confidence restored
 Without shame I could face people
 He gave me His trust
 He lent me His strength
 His hope my life brightened

This friend lights up His road for me to travel
 Now I walk the path of His will
 In loving service, at my Savior's beck and call

I am in awe of you, my Friend
 You changed my complicated life
 Thank you for this second chance
 For the hope You give me
 Hope that whatever trial I face
 I shall overcome whatever storm comes before me
 Thank you for everything
 Now my story is worth telling
 What was worthless then is now useful
 My Friend's Name is Jesus, Lord and Christ.

-Arthur Pader Jr.

Ang dating ako, Ano nga ba ang dating ako?
 Ako na naging luko-luko,
 Ako na namili ng lugar na ginagalawan ko
 Ako na nalulong sa mga ipinagbabawal na bisyo
 Bisyo na akala ko magpapasaya sa buhay ko
 At dumating sa punto na minahal ko pa ito.

Hanggang sa hindi ko na alam, ang mga ginagawa ko
 Binabastos ko na ang mga kapatid ko
 Hindi ko na ginagalang ang mga magulang ko
 Akala ko okay lang lahat ng ginagawa ko
 Basta masaya ako sa mga nakasanayan ko
 Hindi lingid sa kanila lahat ng ginagawa ko
 Mapa-yosi, mapa-alak, mapabarkada at kung anu-ano pa

Ngunit isang araw, dumating Siya sa buhay ko
 Inabot Niya ang pagod na mga kamay ko
 At dinala ako sa lugar na ayaw ko
 Lugar kung saan hindi ko akalain na ako'y
 mababago Siya ang naging kaibigan ko
 Kaibigan na sinamahan ako sa
 pagngiti at pagluha ko

Ginabayan Niya ako sa bagong takbo ng buhay ko
 Pinatawad Niya ako sa mga pagkakamaling nagawa ko
 Tinuruan Niya ako kung paano humarap sa maraming tao
 Isang kaibigang naging sandigan ko
 Isang kaibigan na pinagkatiwalaan ko
 At isang kaibigan na nagbigay-kulay sa buhay ko

Ano nga ba ako ngayon?
 Ako'y lumalakad sa kalooban at nais ng kaibigan ko
 Ako na nagmamahal at naglilingkod sa tanging tagapagligtas ko

Bilib ako Sayo oh aking kaibigan
 Binago mo ang magulong buhay ko!
 Kaya, salamat sa pangalawang pagkakataon,
 salamat sa pag-asang binigay mo sa akin
 Pag-asang malalampasan ang ano
 mang pagsubok na mararanasan
 Pag-asang mapagtatagumpayan ang
 ano mang unos na na daraanan
 Salamat dahil binigyan mo ng kwenta ang buhay ko
 Buhay na noon ay walang silbi
 ngunit ngayon ay nagkasilbi.

At ang kaibigan kong ito ay walang iba kundi
 si Hesu-Kristo na ating Panginoon.

-Arthur Pader Jr.

Arthur Pader Jr. AKA "JR" was admitted to the Amlac Center on May 22, 2017. He was 15 years old. Tatay (father) Bobby Dalida, Amlac Center houseparent took charge of his care and training. JR's parents sought the help of

the Onesimo Foundation for the temporary shelter of their son. He was an out-of-school youth and a substance user. JR was the youngest of 3 children. His parents could not provide the time and care needed by the child because of struggles with disease and finances. He had very little interest in school, preferring to cut classes and spend time with peers. He started smoking and drinking, hanging out in computer shops playing games. When he started using marijuana, it was decided that he enter Onesimo to avoid becoming part of the village drug list and rescue him from the drug connected killings prevalent among urban poor neighbourhoods.

In his first month in Onesimo, he was very reluctant in sharing and expressing himself. Over time, he showed himself to be a good decision maker, applying himself to his assigned tasks and household chores. He eventually adjusted to life in the center, obeying rules and learning life lessons. He displayed an interest in dance and music. Though he once expressed a wish to leave the center and go back to his family, this desire was processed and he was persuaded that it was best to continue with Onesimo.

Jr and his parents underwent a series of counselling sessions with ChildFam. These sessions helped them to understand one another, the roles of each family member. His family became JR's main inspiration for persevering in the program of Onesimo. Through various activities and his

interest to learn, JR improved a lot and garnered many achievements:

- He was recognized as Best Trainee in the 2017 Family Retreat Best Leader the 2018 PELT Retreat.
- He passed the A & E examination for Secondary level and NC2 examination in Bread & Pastry.
- He was recommended and became a leader in some big events of Onesimo.
- He received two consecutive awards as Mythical (basketball) in the Onesimo Sports Fest for 2017 and 2018.
- He and his family now have a better relationship. He says that his life is now in the right path with the guidance of the Lord Jesus.
- He is recommended for formal schooling as Grade 11

In spite of his achievements, he has exhibited humility, fully ascribing the changes in his life to the work of God. Though JR's journey is far from completed, we would like to present it as a testimony of the transforming power of God in the youth who enter Onesimo.

I am **Ervin G. Abong** who was a youth living a worthless life, a fruit of a broken family. I preferred the companionship of my gang who I accepted as my second family. It was late when I realized that their influence on me was not good, leading me to rebel against my parents, becoming very selfish, self-centered. I soon learned to steal to

support my needs, food, vices – cigarettes, alcohol, marijuana and my worst addiction, computer games.

Because of this addiction, I often neglected myself, skipping meals and even personal hygiene.

One day, a friend told me of a group looking for wasted youth who wanted to turn their lives around. This was my introduction to the Onesimo Foundation. I learned of Jesus' sacrifice for me. I

surrendered to him and received many blessings, a new beginning, freedom from vices.

Today I am an active member of a Bible-believing church, serving on the worship team. The Onesimo Foundation is also helping me as I study in Bible School. It is my desire to become a Pastor, believing in my heart that it is God's will for me to serve God's people through the Church.

May the living God continue to bless us all.

ACCIDENT

On November 30, 2018, the Bagong Silang Center boys made a journey north of Luzon with their House Parent, Social Worker and other support staff for a recreation activity. Part of the itinerary was a visit to the family of one of the clients.

At 4:11 a.m, the group on board an Onesimo vehicle were enroute to La Union. Most of the passengers were asleep. The driver maneuvered to avoid collision with a vehicle in front. In the attempt to return to his lane, he lost control of the vehicle and it tipped over and stopped on its left side.

All 20 passengers were shaken up but successfully exited the damaged vehicle. A car stopped to check and assist. They contacted the 911 Emergency Hotline. The Lifeline Rescue Team arrived almost immediately and brought everyone to the Urdaneta Hospital for medical assistance by 5:00a.m.

One client had lacerations and contusions to the back and arms due to broken glass fragments. These had to be removed and stitches applied. One other client suffered abrasions. Most were subjected to X-rays to determine if they had hidden injuries.

The hospital staff were very helpful and provided food and prompt medical care. Our staff workers were able to acquire financial social service assistance on behalf of our clients.

In response to the accident, Onesimo immediately dispatched a vehicle from Manila to fetch the clients and staff. This vehicle arrived at Urdaneta Hospital at 9:00a.m.

Cleared for travel, everyone was on the way back to Manila by 12:30p.m. Some rode on the Onesimo vehicle and the rest took Public Transport bus. Those with injuries and pain went directly to the National Orthopedic Hospital. After x-rays, three (3) more glass fragments were removed from the most injured client.

All the children and staff were home before the end of the day.

The damaged vehicle was righted. After inspection, it was towed back to Manila the next day.

All the children were provided trauma counseling to help them cope psychologically to the effects of the accident.

The most injured child received medical follow-up treatment until his injuries healed.

GLOSSARY OF ONESIMO TERMS

Onesimo, OFI – Names for The Onesimo Foundation. Inc.

Residential – Onesimo's residential program. It was and remains Onesimo's showcase program, where youth-at-risk or in-conflict with the law with ages from 14 to 18, are cared for in a specially designed 2-year course. Since the youth are minors, Onesimo complies with all Philippine government regulations for the care of minors. All facilities, personnel, and aspects of the program are carefully monitored to provide the best care for our young clients.

CBM – Church Based Ministry. A major Onesimo Program for adult youth, eighteen (18) years old and over. Churches in urban-poor communities partner with Onesimo to oversee to Reach, Rehabilitate, Equip and Mobilize them through a structured 2-year program. Onesimo acts as resource provider and the churches provide manpower, and venue.

Trainee – Usually a youth in the first year of the Onesimo (2-year) Program

Beneficiary – Term used for a youth in the CBM program. Used to differentiate from a youth enrolled in the Residential Program

Client – Term used for a youth in the Residential program. Used to differentiate from a youth enrolled in the CBM program

Kuya, Ate – literally, elder brother (*kuya*) and elder sister (*ate*). In the Onesimo Residential Program, the terms are given to clients who have completed the first year of the two year program. The *kuyas* and *ates* help take responsibility for guiding trainees through their first steps in the program. At work camp, they instruct the new ones in the new life, expectations, do's and don'ts. At the residential centers, they serve as models for the trainees. During summer youth camps, the *Kuyas* and *Ates* augment the church youth leaders and are given opportunities to exercise their gifts.

Community Day – A Community Day is held twice a year, in February and August. Traditionally, an Onesimo wide outing, bringing clients, beneficiaries, staff and church/youth workers on educational tours to manufacturing plants and theme parks for experiences they will treasure.

Summer Youth Camps with Onesimo – Also known as **SYCO** (pronounced siko with a short 'I'). Started as Super Youth Camps with urban-poor youth invited from various slum communities in Metro Manila. Now as implemented by Onesimo, partner churches from urban poor communities host week long summer camps at Onesimo's Camp Rock Retreat Center in the famous Puerto Galera beach town in Mindoro island. Onesimo trains camp leaders, and heavily subsidizes camp fees **so that urban poor youth may experience God's beautiful creation while being taught God's Word through tailored activities designed to challenge Youth to leadership roles** in church and community. Planning for the camps and training of leaders start in November and December of the prior year. Coordination meetings for churches and commissioning of youth leaders (including strict understanding of the Onesimo Child Protection Policy) continue in January and February of the Camp Year. Partnership with churches may go on for 5 years unless terminated due to sub-performance or violations of Onesimo policies.

Aftercare Program -This follow up program seeks to help residential clients fully adapt to family life in their own communities after the 2-year residency has been completed. It consists of a senior Social Worker and an experienced community worker.

PELT – Personality Enhancement and Leadership Training; 2 year parallel training to Skills and Academics also administered by the OAEP. It has psychological and spiritual components augmenting discipleship which takes place in the residential centers.

BOARD OF TRUSTEES

Ms. Josefina Gutierrez - Chairperson, Board of Trustees
 Mr. Eugene Villanueva - Vice-Chairperson, Board of Trustees
